This will be your consent for us to make the payment. We will make the payment once the fulfillment of all conditions required by us in order to execute the payment has been met.

A.4 Checking it is you and keeping your account secure

4.1 When you access your account, we need to check we're dealing with you. We also need to check the request we're following comes from you (or someone acting for you).

4.1.2 If you're in a branch, we may ask for photo ID (for e.g. identity card or a driver's licence). For everything else, if your security details are used, we'll assume it's you. We'll treat the request as if you had authorised it. That's why you must be very careful to keep your security details private and not let anyone get access to any devices you use to make payments.

4.1.3 We may add other ways of checking your identity in the future.

4.1.4 Where law or regulations permit, we will make certain payments without requesting any security details (like for e.g. contactless card transactions under certain amounts).

4.2 What do we mean by 'security details'?

4.2.1 We ask for security details to keep your account safe. We've set out some types of security details below, which we can ask you to use alone or concurrently.

- Passwords, PINs, security codes, memorable data and other information that is applicable to you or to your accounts (like details of transactions).
- **Biometric data** (such as a fingerprint, face or voice ID).
- The **codes and passwords** you set up with us for Telephone, Online or Mobile Banking.
- Any information you use with a **payment device**.

4.3 What do we mean by 'payment device'?

4.3.1 This is a device you can make payments with or use to access, or do certain things on, your account (such as a card or e-wallet on your phone).

4.4 Keeping your account secure

4.4.1 We'll do all we reasonably can to keep your account secure. You must also help us to do this. This includes keeping your details safe, and informing us immediately if you notice something doesn't seem right. If you don't, we may block your account to protect you and us from unauthorised use. If you ask and we are permitted at law to disclose, we'll tell you when the block will end.

4.4.2 We'll let you know in the quickest and most secure way if we think there's something wrong. This might be a text, email or a phone call. We may do this, for example, if there's actual fraud on your account or threats to your account security.

N.B: If we call you, we'll never ask for your full security details.

4.5 Tips for preventing misuse of your accounts

4.5.1 Things you should do

- Keep your security details and payment device safe. Safely destroy any security details we send you – for e.g. if we send you a letter confirming your PIN.
- Sign your card when you receive it. Use different security details for different things – for e.g. if you have more than one card, have different PINs for each.
- Take care when using your security details. Make sure no one can hear or see your security details when you use them.
- Change your security details straight away and tell us as soon as possible if you suspect, or you know, that - someone else knows your details.
- Take care when you transfer a payment device to someone else (for e.g. if you sell your phone or give it to someone for repair). You should delete cards stored on it or in any e-wallets. You should also delete any biometric access (such as fingerprint, face or voice ID) including access from any linked device.

4.5.2 Things you shouldn't do

- Don't allow anyone to use your payment device.
- Don't tell anyone (other than a Third Party Provider) your security details.
- Don't choose security details that can be easily guessed by anyone else.
- Don't write down your security details in a way that other people would easily understand.
- Don't log in or stay logged in on Mobile Banking App or Online Banking/HSBCnet, if the device you are using is not in your full control or possession.

You can find more tips on our website www.hsbc.com.mt.

4.6 You must contact us as soon as possible in these cases

- When someone else tries to access, or has accessed, your account using a payment device (and whether or not they have your security details);

OR

- If a cheque, payment device or security details have been lost or stolen.
- For Cards and PINs issues – call us on (+356) 2148 3809 (24 hours a day, 7 days a week) / (+356) 2380 2380 (from 8:00am to 8:00pm excluding Sundays and Public Holidays) or (+356) 2380 8000 for business customers (from 8:00am to 5:00pm excluding Sundays and Public Holidays).
- For Online Banking/Mobile Banking App security issues – call us on (+356) 2380 2380 (from 8:00am to 8:00pm excluding Sundays and Public Holidays).
- For HSBCnet or HSBCnet Mobile Banking App security issues – call us on (+356) 2380 8000 (from 8:00am to 5:00pm excluding Saturdays, Sundays and Public Holidays) or (+356) 2380 2389 (from 8:00am to 8:00pm excluding Sundays and Public Holidays) or on any other telephone number which we may from time to time notify to you.

We'll ask for information or other help we need from you. We may also ask you to file a Police report. You must not use a payment device or cheque after you have reported it lost or stolen or you think someone has used or tried to use it. You must destroy it and/or return it to us if we ask you to.

If you ask us to send, or we issue you with, a replacement card before your existing card's expiry date, we may apply a charge. Please refer to the Card Standard Account Fees Brochure for details about any such charge.

A.5 Payment Limits

As a fraud prevention measure, daily and weekly limits may be placed by us on the maximum amount and number of transactions you may effect. The amount/type of limits may be changed from time to time by us, as we deem appropriate in the circumstances. You can obtain all the information about these limits from any of our branches or by contacting us on (+356) 2380 8000. Other banks may impose their own limits on the amount of transactions that can be effected. If you want to modify any of these limits imposed by us, we may at our discretion do so on your own responsibility.

Part B

B.1 When payments will and will not be made by us

1.1 We will make/authorise a payment from your account if you authorise it in any of the ways set out in Section 1 (Payment Services) of the General Terms, and there are cleared funds in your account.

There may be a delay in carrying out your instructions while fraud prevention checks take place.

1.2 When we assess whether to make/authorise payments we may consider any other payments we have made or agreed to make from your account that day, even if those other payments have not already been deducted from your account. You must take this into consideration when requesting payments.

1.3 We may refuse to make a payment (and we will not be responsible for any loss) if:

- any of the conditions set out in Section 1 have not been met (this includes if we do not agree to an informal request for an overdraft to cover the amount of the payment); or
- we are not reasonably satisfied the transaction or the instruction is lawful; or
- we consider that your account has been or is likely to be misused; or
- for fraud prevention purposes.

1.4 If we refuse to make a payment that you have requested, for all payments other than Standing Instructions and direct debits, you will normally be told when you request the payment, unless we suspect fraud – please see the title Fraud Prevention for details about our fraud prevention measures and what we do if we suspect fraud.

In all cases, if you telephone us, we will tell you if a payment has been refused, the reasons for the refusal (where applicable) and the procedure for correcting any factual errors that led to the refusal.

This information will be available, by not later than the end of the next working day after our refusal of your instruction. We will not be able to provide you with details in any of these ways if it is unlawful for us to do so.

1.5 We may charge for considering and returning an informal request for an overdraft or an increase to an existing overdraft limit. We may also charge for each occasion we notify you that your payment request has been refused.

1.6 If we provide you with any service which is not covered by the Terms you must pay our charges for that service.

B.2 Payments that involve a foreign currency exchange

2.1 Any exchange rate, interest rate, dealing rate and other prices and information quoted by us is for reference only and is not binding. For the purpose of the relevant transaction, the rate, price and information that shall apply to payments involving a currency exchange and that shall be binding on you:

- in case payment is made by HSBCnet or by calling our dealers, shall be that rate, price or information provided by us at the time of confirming your acceptance of the exchange rate, irrespective of any different rate, price or information quoted by us previously. When using HSBCnet, if you decide to authorise the payment but reject the exchange rate quoted by us for the relevant payment, the exchange rate shall be that applied by us at the time of processing the payment after receipt of same by us and which rate, price or information is available to you on HSBCnet or by contacting us via BTB. In addition, the exchange

rates we apply to your payments will also appear on your next statement;

- in case of any other payment not made via HSBCnet or through our dealers, shall be that rate, price or information applied by us at the time of processing the payment after receipt of same by us and which rate, is available to you upon request, either by calling at any of our branches, sending us a message on HSBCnet or contacting us through BTB. In addition, the exchange rates we apply to your payments will also appear on your next statement.

Applying a foreign exchange rate to a payment creates a commitment for you to make the payment as inputted and authorised. After final authorisation, any payment cancellation and unwinding of the transaction by you or us, for whatever reason we may deem appropriate, including but not limited to insufficient funds, insufficient supporting documentation required by laws, regulations or global standards, suspicious or illegal transactions, may result in a loss reflecting any underlying movements in foreign exchange rates which loss shall be borne by you. To this end, you authorise us to immediately debit any of your accounts held with us to cover any such loss. Additionally, you agree that we shall retain any gain which may be made as a result of any such movements in foreign exchange rate upon cancellation of any transaction.

2.2 If we make a payment that involves an exchange into a foreign currency, and that payment is returned to us, we will convert the returned payment back to the original currency at the prevailing exchange rate when we process the payment.

2.3 For foreign currency payments into your account, a charge may be deducted from your account or from the amount of the payment. Details of any such charge are available on the Bank's General Tariff located at our branches or on our website.

B.3 Interest on payments you make or receive from or to your account

3.1 Provided your interest-bearing account is in credit, you will receive interest on the amount of the payment transaction until it is debited to your account by us. If you overdraw your account, you will not be charged interest on the payment until it is debited to your account.

3.2 For interest-bearing accounts, interest will be calculated on payments into your account as from the working day on which the payment has been added to your account immediately following receipt by us.

B.4 Enquiries about a payment instruction

We may make a charge for any enquiries we receive in respect of each payment instruction, whether made by you or another person. We will not charge you if we have made an error.

We will advise you of our charge before we start investigations on your behalf. Charges by other banks may apply about which we will not be in a position to inform you in advance.

B.5 Receipt, Cut-off times, Execution Times and Cancellation of Payment Orders

5.1 The point in time of receipt, unless otherwise specified in these General Terms, of a payment order shall be the time when the payment order transmitted in accordance with our conditions directly by you or indirectly by or through a recipient is received by us.

5.2 The cut-off time is the time before which on a working day (or calendar day for internal transfers, which can be made on any day) a payment or a payment instruction is treated as received by us on that working day (or calendar day, as appropriate). Payments and payment orders for same day value are subject to cut-off time related to the geographical location of the destination. This means if we receive a payment or a payment instruction after the cut-off time, we will treat this as received by us on the following working day. If we receive a payment or a payment instruction on a day that is not a working day, we will treat this as received on the next working day.

Cut-off times vary for different types of payment and for different ways in which the payment is requested. Information about cut-off times for each type of payment is set out in the table in clause 1 and in clauses 2 to 4 of Part C of Section 1 of the General Terms. Instructions you give us by post will be deemed to be received by us when we open your letter, provided they are in accordance with our conditions for the execution of payments.

With respect to a SEPA Instant payment, the execution time is immediate, and immediate value is provided to such transaction.

5.3 The maximum execution time (the time it takes for the payment to reach the recipient's bank), is set out in the table in clause 1 and in clauses 2 to 5 of Part C of Section 1 of the General Terms. The time at which this begins will depend on whether your payment instructions were received before or after the cut-off time as well as whether your payment instructions were received in accordance with our conditions for the execution of payments or otherwise.

5.4 Where you have instructed us to make a same-day value payment, we will begin processing the instructions, provided these instructions are in accordance with our conditions for the execution of payments, when they are received and you cannot cancel your instructions once these have been processed. We may apply a charge for cancellation of payment instructions. Details of any such charge may be obtained from our website, or from the Bank's General Tariff Notice in our branches.

5.5 If you instruct us to make a future-dated payment, we will process the payment on the date you specify. In this case, you may cancel your instructions as detailed in the table in clause 1 of Part C of Section 1 of the General Terms depending on the type of payment and channel used. A charge for any such cancellation may apply. Details of any such charge may be obtained from our website, or from the Bank's General Tariff Notice in our branches. We will carry out future-dated transactions on the working day following the indicated date of transaction if the date indicated for the transaction is not a working day. Unless otherwise stated in any Specific Conditions, such transactions will not be carried out on another day if the available balance held on the date when the transaction is to be effected is insufficient.

5.6 If you wish to cancel a recurring card payment, you must arrange this with the retailer.

5.7 After any time limits for cancellation referred to in this clause have expired, you may only cancel your instructions if we agree and is possible. A charge may apply. Details of any such charge may be obtained from our website, or from the Bank's General Tariff Notice in our branches.

B.6 Third Party Payments Providers

We will also accept instructions from Payment Initiation Service Providers (PISP) and Account Information Service Providers (AISP) (each a "TPP") that you have given explicit consent to as we are legally required to do.

6.1 You may opt to initiate a payment via a PISP instead of using a debit or credit card. When you choose this option, you agree to share your bank credentials with the PISP. The PISP then initiates the payment on your behalf and we will then execute the payment and debit the account you hold with us. Under current payment services legislation, a PISP must:

- Have a PISP licence in their home country, and get passporting rights to operate in other European host countries.
- Initiate payments in connection with the provision of the payment initiation service.
- Ensure that your personalised security credentials are not accessible to any other parties, and that they are transmitted through safe and efficient channels.
- Ensure that any other information about you, obtained when providing payment initiation service, is only provided to the payee and only with your explicit consent.
- Ensure that every time a payment is initiated, that communications between all parties are conducted in a secure way.
- Refrain from storing sensitive payment data related to you.
- Refraining from requesting any data other than that which is necessary to provide the payment initiation service, from you.
- Refrain from using, accessing or storing any data for purposes other than for the provision of the payment initiation service as explicitly requested you.
- Refrain from modifying the amount, the recipient or any other feature of the transaction.

6.2 With your consent, an AISPs may offer you a view of multiple accounts in a single place by providing you with account aggregation services across different banks within the EEA. This means that you can have access to a comprehensive, aggregated view of your payment accounts via a single portal. Under current payment services legislation, an AISP must:

- Have an AISP licence in their home country, and get passporting rights to operate in other European host countries.
- Provide services only based on the customer's explicit consent.
- Ensure that your personalised security credentials are not accessible to other parties, and that, when they are transmitted by the AISP, it is done through safe and efficient channels.

- Identify itself at each session to us and to securely communicate with us and you.
- Access only the information from the designated payment accounts and associated payment transactions.
- Refrain from requesting sensitive payment data linked to the payment accounts.
- Refrain from using, accessing and/or storing any data for purposes other than for performing the account information service explicitly requested by you, in accordance with data protection rules.

6.3 We may deny a TPP access to an account where there are justified and evidenced reasons relating to unauthorised use or fraudulent activities by that TPP. Before doing so, we will inform you that we intend to deny access and will give reasons for doing so, unless it is not reasonably practicable to do so, in which case we will inform you immediately afterwards. In either case, we will inform you in the manner in which we consider most appropriate in the circumstances and will not be obliged to inform you, where doing so would compromise our reasonable security measures or otherwise be unlawful. In the event we deny access to a TPP we are also required to notify the MFSA and/or any other Regulator who may be responsible for this task.

C.2 Direct Debits

2.1 To set up an HSBC Direct Debit you must complete a direct debit mandate using the form that we provide to you when requesting a particular product or service provided by us or by any other HSBC entity established in Malta.

2.2 To set up a SEPA Direct Debit (Core) you must complete a direct debit mandate in accordance with the form and containing the information required by SEPA direct debit scheme rules. You will provide the mandate to the recipient (i.e. creditor) and the recipient will send us payment requests for the debiting of your account on the basis of that mandate. We reserve the right not to pay any SEPA Direct Debit (Core) if the SEPA Direct Debit (Core) mandate is not in accordance with the account instructions you hold with us.

2.3 To set up a SEPA Direct Debit (B2B) you must be an individual, entity or any other organisation and you are operating your accounts with us on a business or professional (not personal) basis. You must complete a direct debit mandate in accordance with the form and containing the information required by SEPA direct debit scheme rules. You will provide the mandate to the recipient (i.e. creditor) but before we can accept any such mandate you must provide us with a signed copy of the mandate at least two working days before due date of the first collection. We will check that your account is eligible to pay any SEPA Direct Debit (B2B) presented to your account and that the SEPA Direct Debit mandate is signed in accordance with the account mandate. We reserve the right not to accept any mandate and therefore not pay any SEPA Direct Debit (B2B) if your account is not eligible to pay any SEPA Direct Debit (B2B) or the SEPA Direct Debit (B2B) mandate is not signed in accordance with the account instructions that you hold with us.

2.4 For further information as to how we process SEPA Direct Debits (whether Core or B2B) and further details in particular on how we deal with reversals, refunds, collections and returns of SEPA Direct Debits, please refer to the SEPA Direct Debits Core and B2B Schemes Information Sheet available on our website (www.hsbc.com.mt) or from any of our branches.

2.5 A Legacy Direct Debit mandate will be considered valid and we will still rely and act on such mandate in terms of the SEPA Direct Debit (Core) Scheme provided this mandate allows for the unconditional refund of payments backdated from the date of the (refunded) payment. We reserve the right not to pay any Legacy Direct Debit mandate if the Legacy Direct Debit mandate is not in accordance with the account instructions you hold with us.

2.6 The payment will be deducted from your account and received by the recipient's bank on the value date indicated by the recipient or the recipient's bank.

2.7 If you wish to cancel or amend any direct debit instructions (whether HSBC Direct Debits, SEPA Direct Debits (Core) or SEPA Direct Debits (B2B)) you must inform us either by calling at any one of our branches, via BTB, or *HSBCnet* at least one working day before due date for payment. Any dispute regarding a cancellation of a direct debit mandate will need to be resolved by you directly with the relevant creditor.

You should also tell the creditor about your intention to cancel or amend the direct debit instruction.

2.8 We are at liberty to either refuse to effect payment or to reverse a payment if your bank account/s with us do not have sufficient funds to meet any direct debit amount. Charges levied by us due to insufficient funds shall be debited to your account/s.

C.3 Cash withdrawals

3.1 You can withdraw cash from your account over a branch counter or from a self-service machine that allows cash withdrawals if you have a card.

3.2 A charge will be deducted from your account for foreign currency banknotes withdrawn from your foreign currency account. We will tell you about this charge when you open your account and also when you make the withdrawal request.

3.3 Cash withdrawals by debit card from our ATMs in Malta and Gozo will be deducted from your account on the same day. However, cash withdrawals by credit card from our ATMs in Malta and Gozo will be deducted from your account within two working days. Please see the Card Standard Account Fees brochure for charges that will apply. For cash withdrawals made from other banks' self service machines, we will

deduct the withdrawal from your account once we receive details of the payment from the relevant card schemes or from other banks. For cash withdrawals at self-service machines the amount of any cash withdrawal made in a currency other than euro will be converted into euro.

3.4 For withdrawals over the counter at branches, you must provide an item of identification acceptable to us (such as an identity card or passport).

3.5 We will deduct cash withdrawals made over the counter at one of our branches from your account on the same day. For foreign currency accounts, this may be the next working day.

C.4 Payments In

4.1 You can deposit cash and/or local cheques over the counter at one of our branches or, if you have a card issued by us, at one of our self-service machines that allows deposits. If you fall under our eligibility criteria, you may also utilise the services of a security courier which would have been previously approved by us ('Bank-approved courier'³) and with whom you agree to have deposits collected directly from your premises and delivered to us. You must not send cash to us by post.

4.2 When deposits are made, whether by means of a deposit machine or through a Bank-approved security courier, we may verify the contents of the deposit envelopes or deposit bags under controlled conditions. In the event of a discrepancy between the contents and the amount written on the envelope/accompanying deposit voucher and/or entered on the deposit machine, our count will, except in the case of manifest error, be taken as the correct amount of the deposit.

4.3 If you choose to make a deposit through a self-service machine you can only use a machine belonging to HSBC Bank Malta p.l.c.

4.4 We reserve the right to –

- postpone payment of cheques drawn against uncleared effects which may be credited to the account;
- claim refund and/or debit your account in respect of cheques/drafts/bills which are unpaid or lost in transit (without loss of exchange, where applicable) plus all charges or in case payment of cheques/drafts/bills is subsequently countermanded; and
- claim refund from you of, and/or immediately debit from your accounts without prior notice, any monies that are paid by us into your account in error. You will be informed about any such debiting on our part on your next statement.

4.5 Payments In through our branches

4.5.1 If you deposit cash and/or local cheques into your account over the counter at one of our branches, it will be credited to your account and available for you to withdraw:

- in the case of cash, immediately. It will be treated as cleared for interest calculation purposes (if applicable) on the same day; and
- in the case of cheques, after we verify, process and clear your deposit."

4.6 Payments In through our ATMs

4.6.1 For cash and/or local cheque deposits into one of our deposit-enabled ATMs, both cash and cheques need to be deposited directly into the machine without the use of deposit vouchers or envelopes. Cash deposits will be credited to your account and available for you to withdraw immediately. Provided you pay in before the cut-off time displayed on the machine, cheque/s deposits will be credited to your account and available for you to withdraw after the machine is opened and we receive, verify and process your deposit. This will be considered to be the time of receipt of your deposit. If the cut-off time is missed, the cheque/s deposit will be processed on the next working day (the 'deemed day of deposit') on which the ATM/deposit machine is serviced, and we will then be considered to be in receipt of the money not later than the end of the second working day from the deemed day of deposit.

4.7 Payments In through our deposit machines

4.7.1 For cash deposits into our deposit machines, you must use the appropriate HSBC cash deposit envelope duly completed with all the deposit details or a duly completed HSBC deposit voucher enclosed in the envelope. Provided you pay in before the cut-off time displayed on the machine, the cash will be credited to your account and available for you to withdraw after the machine is opened and we receive, verify and process your deposit. This will be considered to be the time of receipt of your deposit. If the cut-off time is missed, the cash deposit will be processed on the next working day.

4.7.2 Deposits of foreign currency notes into your account held in a different currency will be converted at the HSBC exchange rate applicable when we receive the payment and then deposited into your account. If the foreign currency notes are being deposited into an account held in a different currency than those notes, a charge on the amount deposited is applicable. Details of any such charge are available on the Bank's General Tariff located at our branches or on our website.

4.7.3 For cheque deposits (local cheques only) into our deposit machines, you must complete a deposit voucher which must be placed in the HSBC cheque only deposit envelope together with the cheque/s being deposited. Provided you pay in before the cut-off time displayed on the machine, the cheque/s will be credited to your account and available for you to withdraw after the machine is opened and we receive, verify and process your deposit. This will be considered to be the time of receipt of your deposit. If the cut-off time is missed, the cheque/s deposit will be processed on the next working day (the 'deemed day of deposit'), and we will then be considered to be in receipt of the money not later than the end of the second working day from the deemed day of deposit.

4.7.4 You cannot use one envelope to deposit a mixture of cash and cheques (local only) into your account. Separate HSBC deposit envelopes must be used.

4.8 Payments In through Bank-approved security couriers.

4.8.1 The cut-off time for receipt of deposits is as detailed on our self-service machines. Terms (including terms regulating cut-off times for processing deposits) covering deposits delivered to us by a Bank-approved security courier will be communicated to you by the Bank-approved security courier appointed by yourself.

³You may enquire about our list of Bank-approved security couriers by calling at any one of our branches, contacting us on (+356) 2380 8000 or where applicable, directly contacting your relationship manager. T&Cs may apply.

C.5 Transfers to credit card / third party accounts

Funds may be transferred to credit cards and third party accounts through our ATMs in Malta. Such funds will be considered received by us once you successfully complete the transfer instructions on the ATMs. Any funds so transferred will, once the fulfilment of all conditions required by us in order to execute the payment have been met, be credited to the relevant credit card or third party account immediately after receipt by us.

C.6 Outward Transfers

6.1 For outward transfers in any currency where both the payment service providers of the remitter and the beneficiary are located in the EEA, the remitter shall pay the charges levied by his payment service provider and the beneficiary shall pay the charges levied by his payment service provider. This provision shall also apply to countries outside the EEA, unless otherwise instructed by you.

6.2 We reserve the right to draw outward transfers on a different bank from that specified by the remitter if operational circumstances so require.

6.3 Because of regulatory requirements in certain countries and/or other payments industry requirements, when transmitting funds overseas, we may be required to include, in addition to the remitter's name, details such as remitter's account number, address, and purpose of the transfer. Omission of requested details may result in processing delays at the beneficiary bank or return of funds.

6.4 In the case of outward transfers which are routed directly to the beneficiary's payment service provider or via our main correspondents, you are warned that funds may become attached or blocked under prevailing local, US and/or international sanctions. Remission of funds will therefore be made on the remitter's sole responsibility.

6.5 We reserve the right to debit the remitter's accounts with any penalty fee claimed by the processing banks when, due to the lack of the required data or incorrect format of the IBAN / BIC / SWIFT Codes / Local Clearing Bank Codes, etc., the outward transfer could not be effected by Straight Through Processing (STP).

6.6 We may place a temporary hold on the remitter's account for the payment amount (or equivalent) plus charges of the credit transfer from the time of processing up to the time the payment order is transmitted and the actual debit is effected.

6.7 Outward transfer instructions for immediate execution cannot be cancelled after having been processed. Requests for cancellation of future-dated outward transfers may be made by latest the end of the working day preceding the agreed day for execution. If payment has already been processed, we may need to recall the funds from other payment service providers. The payment service providers involved in the payment transaction may levy a charge for such requests. Details of any charge levied by us for cancellation may be obtained from our website, or from the Bank's General Tariff Notice in our branches.

6.8 We may, but shall not be obliged to, accept without seeking your prior consent, to honour cheques drawn on any of your accounts even if there is insufficiency of funds in the account on which any such cheque is drawn. In case of insufficiency of funds, you agree that we shall be entitled to debit any account you may hold with us, whether in your sole name or jointly with others⁴, with any amount that is necessary to cover payment of any cheque drawn on your account. For other details on the treatment of cheques, please see the Current Account and Savings Account Terms and Conditions.

C.7 Availability of Funds on Receipt of Payment

7.1 When you are in receipt of funds we will credit such funds on the working day on which we receive the relative funds provided it is a working day. We will place these funds at your disposal immediately thereafter. If funds are received on a day which is not a working day the funds will be available to you on the next working day. We reserve the right to claim refund from you, and/or immediately debit from your accounts without prior notice, any monies that are paid by us into your account in error. You will be informed about any such debiting on our part on your next statement.

7.2 When we receive a payment for your account in a foreign currency, we may, but are not obliged to, seek instructions from you on whether you would like to convert it into the currency of your account or otherwise. When we seek your instructions, we will wait for your instruction until 13:30 hours of the fourth working day from receipt of the payment. Where we effect a currency conversion, we will use the prevailing exchange rate at the time we process the payment.

C.8 What We'll Do If Payments Are Made Into Your Account By Mistake

8.1 When you are in receipt of funds from a bank within the EEA which the payer says that such funds were received into your account by mistake, we are legally required to share all relevant information, including your name and address and transaction information, with the bank that the payment came from, if they ask us, so that the payer may contact you directly.

Part D

D.1 Joint Accounts

1.1 Where the account/s in question is/are joint account/s, a reference in the Terms to "Customer" or "you" shall be deemed to mean all and each of the joint account holders. All of you shall be bound by the Terms and be jointly and severally liable for all the transactions and dealings effected by using any of our products or services.

1.2 Where any one of the joint account holders subscribes or has already subscribed to HSBCnet, all joint account holders agree that all joint accounts held in the name of such joint account holders can be operated only on an "either to sign" basis. As a joint account holder/s, you agree that any one of the joint account holders may transfer funds from any such joint account and open

⁴However, in case where you hold account/s jointly with others, we shall only debit if you have the authority to operate such account/s independently from the other account-holder/s.

a new joint account in the same joint names on an “either to sign” basis without the specific consent of the other joint account holders.

1.3 Except as provided in clause 1.2 of Part D of Section 1 of the General Terms, you may give us notice of cancellation of an “either to sign” authority at any time. Upon receipt by us of such notice any further transactions, including payments by standing order or direct debit, will need the authority of you all. You must also return any unused cheques and cards. You and your joint account holder/s will no longer be able to operate such joint account/s on HSBCnet or the Mobile Banking App on our receipt of a notice of cancellation of an “either to sign” authority by anyone of the joint account holders.

1.4 We may disclose to any of you any information we hold about the account(s) including historical statement information.

1.5 If your account is in your joint names we can only issue a debit card to a person authorised by all of you to operate the account alone.

D.2 Intermingling of Funds

2.1 Any personal accounts you may have opened are to be used solely for personal purposes, and all business accounts, both newly opened or converted from a personal account, are to be used solely for business purposes.

D.3 Statements

3.1 If you have subscribed to HSBCnet, your account statements will henceforth be sent to you electronically. Statements can be downloaded from HSBCnet from the next calendar day following statement due date and remain available for you on HSBCnet for 12 months from the statement due date. You will need Acrobat® Reader to view, save or print you statements. If you prefer paper statements, please inform us by sending us a message through HSBCnet or by calling us on BTB.

3.2 If you have not subscribed to HSBCnet and unless you inform us that you wish to receive paper statements more frequently, we will send you paper statements for each account at least once a year.

3.3 If one or more payments have been made from or to your account in any month and you would not normally receive a statement that month because, for example, you receive statements every year, you can contact us to provide you, with a statement for that month in the way you usually receive statements.

Also, if you require details about a particular payment transaction/s from or to your account effected during a particular month, you may also contact us, to provide you, with a payment advice for that particular transaction/s. Requesting additional statements or more than one copy of a payment advice already issued may attract a charge – see the Bank’s General Tariff.

3.4 If an incorrect entry on your account is identified, we will correct it. If we do this on the same day the incorrect entry was made, the details may not show on your statement.

3.5 Balance information

3.5.1 We may provide you with details of –

- the balance on your account. This may include transactions that are still being processed and so may be subject to change. It may not include the amount of any overdraft you have.
- the available balance on your account. This includes the amount of cleared funds in your account together with the amount of any overdraft you have.

3.5.2 Your account and the transactions passing through it may be affected by a court order. If so, we may be obliged to deposit money in Court and transactions may not be processed or may be reversed.

D.4 Fraud Prevention and Compliance with Laws

4.1 We carry out certain checks on transactions on your account as part of our fraud prevention and anti-bribery/corruption measures. We may contact you by post, telephone (including mobile phone), email or, if you are registered for HSBCnet, secure e-message, to inform you that there may be suspicious activity on your account, or we may leave a message asking you to call us as soon as possible. In respect of certain payments made through BTB or HSBCnet, if you do not reply to us, we will assume you have not authorised the transaction and it will not be processed. For payments made using your card, we may send you a text message or contact you by phone if we suspect fraudulent activity as soon as such transaction has been authorised. This will not prevent you from later disputing that you authorised the transaction.

4.2 We and other members of the HSBC Group are required to act in accordance with the laws and regulations, rules, codes, guidelines and requests of public and regulatory authorities in various jurisdictions which relate to the prevention of money laundering, terrorist financing and the provision of financial and other services to any persons or entities which may be subject to sanctions. We or any other member of the HSBC Group may, without any liability, take whatever action we consider appropriate to meet any obligations or to adhere to any regulatory guidance, code, court order or other requirement, either in Malta or elsewhere in the world, relating to the prevention of fraud, money laundering and terrorist activity and the provision of financial and other services to persons who may be subject to sanctions. We or any other member of the HSBC Group may also, without any liability, take whatever action we consider appropriate in case we know or suspect a breach of security or other suspicious circumstances in respect of or in connection with the operation of one or more of the accounts or the products/services generally. Any such action may include, but is not limited to, investigating and intercepting payments into and out of your account(s) (particularly in the case of international transfers of funds) and investigating the source of or intended recipient of funds. It may also include making enquiries to establish whether a person is subject to sanctions. Exceptionally, we may:

- i. delay the carrying out of your instructions or the receipt of cleared funds but, where possible, we will advise you of the reasons for and likely length of any delay;

- ii. refuse to accept in, or make payments from, your account/s with us if we reasonably believe that accepting to do so might cause us to breach a legal requirement or expose us to action from any government, regulator or law enforcement agency or otherwise if you are subject to sanctions, including UN, EU, OFAC and UK sanctions

4.3 Payments to and from Russia and Belarus are prohibited by the bank.

4.4 Neither we nor any other member of the HSBC Group shall be responsible to you or any third party for any loss (whether direct, indirect, consequential or otherwise) or damage incurred as a result of us or any other member of the HSBC Group taking the actions set out in clause 3.2 of Part D of Section 1 of the General Terms.

D.5 Responsibilities

5.1 Making payments

5.1.1 We will make payments based on the information we require you to provide us as set out in clause 2 of Part A of Section 1 of the General Terms. If you provide us with incorrect information or otherwise, we will not be responsible if the payment is not made, delayed or made incorrectly and any exchange loss arising on account of any such rejection, delay or incorrect payment will be applied to your account. If you ask us, we will make reasonable efforts to recover an incorrect payment. A charge may apply. Details of charges levied by us may be obtained from our website, or from the Bank's General Tariff Notice in our branches.

5.1.2 If you provide us with extra information to that specified by us as required, we will only be responsible for making the payment based on the information we have told you we require.

5.1.3 For payments to another bank account, we will make sure payments are sent to the recipient's bank. It is the recipient's bank's responsibility to make sure the payment is correctly and timely credited to the bank account of the recipient in accordance with law, regulation or any applicable rulebook or industry guidance.

5.1.4 If you have instructed us to make a payment, we are responsible for it being made correctly. We will however no longer be responsible to you if we can prove to you, or the recipient's bank (as appropriate), that the payment was received by the recipient's bank within the timescales for executing payments set out in the table in clause 1 and in clauses 2 to 4 of Part C of Section 1 of the General Terms. Where we can prove this, the recipient's bank will be responsible to the recipient for making available the payment and crediting the recipient's account as appropriate.

5.1.5 If a payment has been made incorrectly by us, we will, without undue delay, refund your account with either –

- the amount of the payment; or
- in the case of an overpayment, any excess amount incorrectly deducted so you do not incur any loss, and we will also restore your account to the position it would have been in had the incorrect payment or overpayment not been made, for example, by refunding any charges or interest as appropriate. We will

not do this if the circumstances giving rise to the incorrect payment transaction were due to abnormal and unforeseeable circumstances beyond our control, the consequences of which would have been unavoidable despite all efforts to the contrary.

5.1.6 If you ask us, we will make immediate efforts to trace a payment you had instructed us to effect whether as payer or as payee, and will tell you the outcome. A charge may apply. Details of charges levied by us may be obtained from our website or from the Bank's General Tariff Notice in our branches.

5.1.7 If an outward transfer you asked us to make within the EEA is executed late you can ask us to contact the receiving bank and ask them to treat the transfer as if has been made on time.

5.2 Payments initiated by you as recipient

5.2.1 Where a payment order is initiated by you or through you as recipient, we shall ensure the correct transmission of your payment order to the payer's bank within the limits agreed in clause 5 of this Part B of Section 1 of the General Terms. In the case that we transmit this payment incorrectly or fail to transmit such payment order, we will immediately, that is after we become aware of this, retransmit your payment order to the payer's bank.

5.2.2 If you ask us, we will make immediate efforts to trace a payment you instructed us to effect whether as payer or as payee, and will tell you the outcome. A charge may apply. Details of charges levied by us may be obtained from our website or from the Bank's General Tariff Notice in our branches.

5.3 Refunding pre-authorised payments such as direct debits

5.3.1 (a) If you authorise a transaction and the following conditions apply –

- the exact amount of the payment is not specified when you give your authority; and
- the amount of the payment exceeds the amount you could reasonably have expected to pay, taking into account your previous spending pattern, the Terms and all other circumstances (but not fluctuations in the exchange rate), then,

provided you ask for a refund within eight weeks of the payment being charged to your account, we will refund your account with the full amount of the payment. No refund will be made if you have agreed with us for the particular payment to be made and, where appropriate, details of the payment are provided or made available to you by any means at least four weeks before the payment is made from your account.

5.3.1 (b) If you have set up a SEPA Direct Debit (Core) or a Legacy Direct Debit with a creditor, provided you ask for a refund within eight weeks of the direct debit payment being charged to your account, we will refund your account with the full amount of the payment.

5.3.2 The above clause 5.3.1 (a) and (b) shall not be applicable to you if you have set up a SEPA Direct Debit (B2B) with a creditor, and in such case no refund may be claimed by you for any SEPA Direct Debit (B2B) payment already made from your accounts.

5.3.3 You must provide us with any information we request which is reasonably required to allow us to verify the conditions set out in clause 5.3.1 of Part D of Section 1 of the General Terms.

5.3.4 We will either make a refund or provide you with our reasons for refusing your request within 10 working days of either receiving your request for a refund, or receiving the information referred to in clause 5.3.3 of Part D of Section 1 of the General Terms.

5.4 Unauthorised transactions

You must read your statements carefully on receipt or when they are available online. To help us prevent fraud, you must tell us immediately by calling us on (+356) 2380 8000 for business customers (and, if we so require, confirming your call in writing) if you do not recognise any transaction shown on your statement or if you think any payment you have authorised has been executed incorrectly. If you do not tell us promptly (at the latest within 60 days of the date the transaction was deducted from your account), you may not be entitled to have any errors corrected. You must provide us with such evidence and other information as we may require to prove that the payment in question was unauthorised. Where we are required to do so, by the following business day, we will credit your account with the amount claimed, whilst the investigation takes place, reserving the right to re-debit the monies should the payment prove to be authorised. We may either refund you the full amount of the relevant payment, or notify you that the claim for refund has been rejected. A charge may apply. Details of charges levied by us may be obtained from our website or from the Bank's General Tariff Notice in our branches.

5.5 Exclusion of Liability

5.5.1 Where you claim that a payment transaction was unauthorised you will be liable for the full amount of the unauthorised transaction which take place until the time you notify us. You will also be liable unless you could prove that we have failed to provide you the facilities to enable you to stop a payment transaction and/or a payment instrument.

5.5.2 You will be responsible for all losses if you act fraudulently.

5.5.3 We will not be responsible to you if we fail to comply with any of the terms in Section 1 of the General Terms –

- due to abnormal and unforeseen circumstances beyond our control, the consequences of which would have been unavoidable despite all efforts to the contrary; or
- where our failure to comply is due to our obligations under EC or Maltese Law."

5.6 Payments into your account

5.6.1 We can only accept responsibility for payments into your account after we have received and checked them. We will make the amount of the payment transaction at your disposal immediately after crediting your account with us.

5.6.2 In case of SWIFT payments, the funds that are due to be credited or have been credited to your account may be held by the intermediary bank. Should such funds remain unpaid by the intermediary bank, you agree that we are entitled (i) not to credit funds until such funds are received from the intermediary bank; or

(ii) to debit your account with any amount that has been previously credited to your account. Consequently, the fact that you have been able to see these funds is not a guarantee they will be paid into your account.

5.6.3 If you pay two or more items into your account using a paying-in slip, you must take care to add these up correctly on the paying-in slip. If, when we process the payments-in, we notice that the total amount of the items is added up incorrectly on the paying-in slip and the difference is over €1, we will add the correct amount to your account. We will tell you we have done this. If the difference is €1 or less we may not carry out the correction or tell you.

5.6.4 If a payment is fraudulently or mistakenly paid into your account, the amount of the payment may subsequently be deducted. This may happen even if the funds are included in the balance of your account, you have used them to make a payment, have transferred or withdrawn all or part of them. If the deduction of the payment from your account would either result in your account being overdrawn or exceed an existing overdraft limit, we will treat this as overrunning. Overrunning is subject to specific terms and conditions – please see the respective Account Terms or the Card Conditions of Use for further details.

5.7 Force Majeure

We shall not be responsible to you for any loss (whether direct, indirect, consequential or otherwise) or damage you may incur if we, or any of our agents or correspondents are prevented from or delayed in providing you with any banking or other services caused by circumstances beyond our reasonable control, including but not limited to, the failure, malfunction or unavailability of telecommunications, data communications and computer systems and services, war, civil unrest, government action, strikes, lock-outs or other industrial action or trade disputes (whether involving either party's employees or those of a third party). Any delay or failure of this kind will not be deemed to be a breach of the Terms and the time for performance of the affected obligation will be extended by a period which is reasonable in the circumstances.

D.6 Changing the Terms

6.1 General Information

6.1.1 For products or services that you have which contain particular terms that are meant to be fixed, please see the Specific Conditions for information on the circumstances in which we may make changes to those terms. D.10 Other reasons for making changes to the extent the Terms do not apply for a fixed term

To the extent the Terms do not apply for a fixed term, we may also make a change to the Terms under clauses 6 to 8 of Part D of Section 1 of the General Terms for any other valid reason that applies and that is not described in clause 9 of Part D of Section 1 of the General Terms. We will always give you individual notice of any such change.

D.11 What you can do when we tell you about a change

11.1 When we give you advance notice of a change we intend to make in accordance with clauses 6 to 8 of Part D of Section 1 of the General Terms, before the change takes effect, or for changes that are not favourable to you made in accordance with clause 8.2 of Part D of Section 1 of the General Terms up to 30 days after the date of the notice to you, you may end any product or service in accordance with clause 12 of Part D of Section 1 of the General Terms. 11.2 If you do not accept a change made under clauses 6 to 10 of Part D of Section 1 of the General Terms, then you must tell us before the change takes effect and we will treat this as notice from you to end this framework contract and terminate the relevant product/service. There will be no charge for this.

11.3 If you do not tell us that you want to end this framework contract, and if we do not hear from you before the date each change is to take effect, then you will be deemed to have accepted the change and it will take effect automatically.

D.12 Ending this framework contract and terminating the relevant product/service

12.1 Provided you have sufficient authority to do so, you can terminate any product or service with us that is governed by these General Terms at any time by writing or phoning us, by going into your local branch or via *HSBCnet* if you have two or more accounts with us and the balance on your account is being

If, after account closure, we pay any cheques you have issued or card transactions you have made or incur any charges relating to these, or you have pending investigations with us, you agree to repay us these amounts in full. Any charges levied by us on a regular basis will be refunded proportionately up to the time of the termination of the product or service.

12.3.6 if you are subject to sanctions anywhere in the world or if the operation of your account could be in breach of UN, EU, OFAC and UK sanctions or you have been involved in or we suspect that you have been involved in bribery and corruption in Malta or abroad, whether in connection with any of your accounts with us or any transactions on your accounts; or otherwise

12.3.7 if we have demanded that you repay an overdrawn balance on any of your accounts to us and you fail to do so.

12.3.8 if you suspend payments of any of your debts or are unable to or admit inability to pay your debts as they become due.

You agree to tell us immediately if your company, or any such shareholder in your company has issued Bearer Shares. You also confirm that you are not prevented by law or regulation from complying with this clause. For the purposes of this clause, "Bearer Shares" means shares issued by a company which assigns ownership to whomever has possession of the physical share certificates.

2.2 Any failure to act in terms of the clause 2.1 above will constitute a breach of these General Terms and we will be entitled to immediately terminate your relationship with us by cancelling or closing any product or service that you have with us, subject to our right to demand payment of any fee or charge that is due for any such service or product.

3. Final Withholding Tax

4. Our Right of Set-off

4.1 If any accounts you hold with us are in credit, we may use any of them to reduce or repay any amounts you owe on other accounts you hold with us anywhere in the same name (including any card accounts and any joint accounts) whether or not those accounts are in the same currency. This is called our right of "set-off".

4.2. We can use our right of set-off as follows:

Account in credit held in name of:	Right of set-off can be applied against amounts owed on accounts held by:
A	A
A	A and B
A and B	A and B

4.3 If we decide to exercise such right:

- we will, upon your request, tell you why and when it has been done; and
- in doing so, we may (and you irrevocably authorise us to)
 - bring to an end any fixed deposit period applying to any of the accounts you hold with us and adjust any interest payable by us;
 - convert to euro at the prevailing market rate of exchange any balance that is in a currency other than euro; and in doing so we will have no liability to you.

Nothing in this clause will prevent us from exercising at any time any other right of set-off or of combination of accounts to reduce or repay any amounts you owe us.

5. Transferring your Account

We reserve the right to transfer you from your existing account(s) to other account(s) we believe are appropriate for you if your existing account(s) are no longer going to be offered by us, or if we introduce new eligibility criteria or change any existing eligibility criteria for such account(s) and you do not meet this. 7.2 These include telling you about changes to terms or interest rates that apply to your account and generally communicating with you about the day-to-day running of your accounts, products and services. If you are registered for HSBCnet you agree that we may also contact you using our secure e-message service within HSBCnet for these purposes. You must ensure that the contact details you provide are accurate and that you notify us promptly of any changes. Remember, communications may contain confidential information and if anyone else has access to your email inbox or mobile telephone messages for example they may be able to see this. If you would prefer that we do not contact you for service or operational reasons by email, mobile message or secure e-message please let us know. Whilst we will try to use your preferred channels wherever possible, you may continue to receive important service messages via these channels, for example, when we need to contact you urgently.

7.3 We will also use secure e-messages to contact you in respect of any accounts you hold that are managed solely online (e.g. HSBC Online Savings Account). Where we hold alternative postal address(es) for you, we may send mail to your home address if it is returned from, or you do not respond to, mail sent to your correspondence address.

7.5 You must notify us immediately of any change in your address.

7.6 We will mark your account as dormant if it has been inactive⁶ for at least one year to protect both you and us. We will notify you when the account becomes dormant. If you ask us, we will tell you how you can access your account. If you have money in a dormant account, it will remain your property.

7.7 For certain types of accounts held by financial institutions, accounts will not be marked as dormant after one year but after two years of inactivity. You may contact your relationship manager if you are a financial institution and would like to know what period of inactivity will be applicable to any of your accounts to be considered as dormant.

7.8 If any of your accounts with HSBC have been classified as dormant, we may but shall not be obliged, to:

- i. transfer any credit balances held in such accounts to a suspense account; and
- ii. upon transfer, close any such dormant accounts.

Prior to taking the actions mentioned in items (i) and (ii) above, we will give you written notice in accordance with clause 11 of Part D of Section 1 of the General Terms. When transferred to a suspense account, your monies will be held by the Bank on your behalf but you will still have the right to your money after it has been transferred to such suspense account.

8. Transferring Rights and Obligations

We may transfer all or any of our rights in relation to your account. We may also transfer any of our obligations to someone we reasonably consider capable of performing them. This includes us appointing another HSBC Group company as our agent (i.e. to act on our behalf) for debt recovery purposes. You may not transfer any of your rights or obligations in relation to your account or transfer or assign any account or deposit.

We and/or any member of the HSBC Group assume no responsibility in respect of your tax obligations in any jurisdiction which they may arise including, without limitation, any that may relate specifically to the opening and use of account(s) and/or services provided by us and/or other members of the HSBC Group.

10. Not Enforcing the Terms

We may occasionally allow you extra time to comply with your obligations or decide not to exercise some of our rights. However, we can still insist on the strict application of these terms later on. No act, delay or omission by us shall affect our rights, powers and remedies under the Terms or any further or other exercise of such rights, powers or remedies. The rights and remedies under the Terms are cumulative and not exclusive of the rights and remedies provided by law.

11. Your Statutory Rights

Nothing in the Terms will reduce your statutory rights including your rights relating to misdescribed accounts or services, the fairness of terms on which they are provided to you, any rights you may have to close your account and/or claim compensation.

12. Governing law and language

The Terms and any dealings with you until your account is opened including non-contractual obligations shall be governed and construed according to the laws of Malta.

¹ Scheme responsible for the protection of your deposit

Your deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your credit institution should occur, your deposits would in any case be repaid up to €100,000.

² General limit of protection

If a deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by the Depositor Compensation Scheme, in accordance with the regulations. This repayment covers a maximum of €100,000 per credit institution. This means that all deposits at the same credit institution are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with €90,000 and a current account with €20,000, he or she will only be repaid €100,000.

In addition to the protection described above, deposits may be protected in some cases up to a maximum of €500,000 for six months after the amount has been credited or from the moment when such deposits become legally transferable. In order to qualify for such higher protection, a deposit in excess of €100,000 must meet any one of the following additional criteria:

- i. it comprises:
 - a. monies deposited in preparation for the purchase of a private residential property by the depositor; or
 - b. monies which represent the proceeds of sale of a private residential property of the depositor; or
- ii. it comprises sums paid to the depositor in respect of:
 - a. a separation, divorce or dissolution of their civil union; or
 - b. benefits payable on retirement; or
 - c. a claim for compensation for unfair dismissal; or
 - d. a claim for compensation for redundancy; or
 - e. benefits payable for death or bodily injury; or
 - f. a claim for compensation for wrongful conviction.

More information can be obtained under www.compensationschemes.org.mt

³ Limit of protection for joint accounts

In case of joint accounts, the limit of €100,000 applies to each depositor.

However, deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of €100,000.

⁴ Reimbursement

As of 31 May 2016, where the Depositor Compensation Scheme cannot make the repayable amount(s) available within 7 working days, depositors shall have access to an amount, not exceeding €1,500, to cover the cost of living, within 5 working days of a request. The Depositor Compensation Scheme shall only grant access to such amount within 5 working days on the basis of data provided by the credit institution.

If you have not been repaid within these deadlines, you should make contact with the Depositor Compensation Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained from www.compensationschemes.org.mt.
