Purpose and use of Personal Data

In accordance with the General Data Protection Regulation, an entity requires certain legal grounds to be legally permitted to process Personal Data. In this section, the purposes for which **MIB** uses Personal Data, how such data is shared, and the legal basis upon which **We** process the information is explained. Kindly note that **MIB** will disclose Personal Data internally (that is, to the extent of the company) and, if necessary, to contractors, service providers and other entities that perform activities on **Our** behalf.

Consent

In order to facilitate the insurance cover and the processing of insurance losses, unless another legal ground applies, **MIB** relies on the data subject's consent to process. It may be necessary that **We** require consent in order for **Us** to be able to share information with other players of the insurance industry, such as insurers, reinsurers and intermediaries, that need to process the information to properly undertake their role. **MIB** relies on **Your** consent, unless another legal basis is satisfied, to process special categories of personal data (including Criminal Records Data) and profiling.

You may withdraw **Your** consent to such processing at any time by notifying **Our** Data Protection Officer using the contact details found in the 'Contact' section below. Please understand that such withdrawal is unconditional, and therefore concerned insurers or reinsurers would be prohibited from continuing to provide **You** with an insurance cover.

In the scenario that **You** provide **MIB** with data pertaining to another person other than **Yourself**, **You** agree to inform such other person of **Our** use of their Personal Data and to obtain such consent on our behalf.

Profiling

Insurance market players calculate premiums by benchmarking client's attributes against other clientele's attributes and propensities for the eventuality of insured events. This provides insurance market participants to analyze and collect data of all concerned insureds, beneficiaries or claimants to model such propensities. Accordingly, such information may be used by **MIB** in order to match and ultimately create the models required, and subsequently used, to formulate the premium pricing. Special Categories of personal data and Criminal Records information may be used by **MIB** in such modeling process.

Safeguards

MIB ascertains that Personal Data is secure by having electronic, physical and procedural safe-guards in place. These safeguards will vary depending on the sensitivity, format, location, amount, distribution and storage of the Personal Data, and include measures designed to keep Personal Data protected from unauthorized access. If appropriate, the safeguards include the encryption of communications via Secure Sockets Layer, encryption of information during storage, firewalls, access controls, separation of duties, and similar security protocols. **We** restrict access to Personal Data to personnel and third parties that require access to such information for legitimate, relevant business purposes.

Retention Periods

Our retention periods for Personal Data are based on commercial factors and legal requirements and is in normal circumstances that of 10 years. **We** retain Personal Data for as long as is necessary for the processing purpose for which the information was collected, and any other permissible, related purpose including but not restricted to compliance with legal obligations. In the scenario that Personal Data is no longer required, **MIB** either irreversibly anonymizes the data or entirely deletes such data.

Personal Data transfers (Cross-Territorial)

In order to provide the required services **MIB** may transfer Personal Data to, or permits access to Personal Data from, countries outside the European Economic Area (hereinafter referred to as EEA). **MIB** cannot guarantee that these countries' data protection mechanisms and legislation offer the same level of protection for Personal Data as offered in the EEA. **We** have taken all measures possible to safeguard **Your** Personal Data as set out in this Privacy Policy Statement by recipient entities outside the EEA. The European Union allows **Us** to freely transfer Personal Data to certain countries outside the EEA. These

countries have been approved by the European Union Commission and classified as providing essentially equal protections as the data protection offered by EEA data protection legislation.

Your Rights

MIB strives to maintain Personal Data that is updated and complete. If **You** need to update **Your** Personal Data, kindly contact **Us** at dataprotection@mibgroup.com.mt to have such information updated. Under certain conditions, individuals have the right to request **MIB** to: 1. Further explain how **MIB** uses and processes their Personal Data; 2. Provide details of the Personal Data **We** possess about the individual; 3. Update Personal Data; 4. Delete Personal Data that is no longer necessary; 5. Restrict manner Personal Data is processed whilst an individual's enquiry is being handled; 6. Withdraw consent, where such consent is the basis upon which processing is carried out; 7. Object to direct marketing 8. Object to the processing of Personal Data that **MIB** carries out on the basis of having a legitimate interest (subject to the exception that reasons for the processing outweighs the individuals' fundamental rights). These rights are subject to certain exemptions to safeguard the **MIB**'s interest and the public interest. **We** will respond to most requests within 30 days.

In the scenario that **We** are unable to resolve an enquiry or a complaint, individuals have the right to contact Malta's Data Protection Regulator, the Office of Information and Data Protection Commissioner.
