Interest on Credit Card Accounts

Cash Advances

This includes ATM withdrawals, cash withdrawn over the counter, purchase of gaming chips, traveller's cheques, foreign currency and transfer of funds from credit card accounts. Interest is charged on the balance outstanding from the date the transactions are posted to the account until the date the balance is paid in full.

Purchases

Interest free up to 56 days. No interest will be charged on the amounts of purchases repaid and credited to the account within 25 days from the date of your statement on which those purchases first appeared. Interest at the applicable rates is charged on the daily balance outstanding at the end of the 25 days from that statement date and will continue to be so charged until full repayment is made to the account.

Annual Rate

The rate of interest shall be 6.25% p.a. over the Bank's Base Rate, presently 2.50% p.a., the current effective rate being 8.75% p.a., calculated on the daily debit balance.

The following applies to both the Business Debit and Credit Cards

Currency Conversion Fees

Transactions made overseas incur the following currency conversion fee:	Free
Euro transactions	
All other transactions	1.75%

Exchange Rate

More than one currency can be involved when a transaction is converted into euro. For example, a transaction effected in Australian Dollars (AUD) is first converted into United States Dollars (USD) before conversion into euro. Conversion to euro is arrived at by using the Card Schemes' selling rate, on the day the transaction is processed by the Card Schemes. The exchange rate shown on your statement against each foreign currency transaction is arrived at by dividing the foreign currency amount with the euro equivalent.
